MISC. NOTES

- ✦ Welcome to grade four! Happy 25th anniversary to Shepherd of the Hills!
- ✦ Please encourage your child to let you see some of their work before it is handed in. Some students have caught the “rush bug” and simply want to be done rather than to do their best job. Thank you for your help in this matter.
- ✦ As our classroom grows and matures, we may find out that a few hygiene lessons need to be addressed. The fourth graders need to be aware of increasing the number of times they shower/bathe each week, wearing clean clothes, and the use of deodorant. Please help our room stay fresh and clean all day long.
- ✦ Talk to your children about the importance of using the time they have in school wisely as I have done. This should increase neatness and the turning in of assignments in a timely manner.
- ✦ Keep reading for those AR points. How close are you to your goal of 15 points? Remember, you can take the tests here at school or at home. At this time, you should have 2.8 points.
- ✦ Don't forget that on Mondays we have music/recorder class and some students are coming to class unprepared.
- ✦ Picture Day is Wednesday, September 8th. Even if you do not order any pictures, all students will have a picture taken to be used in the yearbook.
- ✦ Practice your Spelling words and dictation sentences often to prepare for the pre-tests on Wednesdays. Don't wait till Tuesday evenings to start your learning.
- ✦ Devotions are...
 - Monday –
 - Tuesday –
 - Thursday –
 - Friday –
